

Minimum Essential Coverage (MEC) and Minimum Value Plans (MVP) are vital because they enable an employer group to be fully compliant under current ACA Law at the lowest possible cost. Our MEC program offers multiple enhancements that build upon the preventative services with items such as emergency room visits, prescription drug coverage, and X-ray/Lab tests. The MVP is guaranteed to issue with low overall participation requirements.

Program Highlights

- | Low Participation Requirement (15+)
- | Level Funded Premium
- | Top Broker Compensation
- | Multiple MEC Plan Design Options
- | Integrated with Stop Loss (Aggregate + Special Limits)
- | Guarantee Issue
- | Available in All States
- | Technology System Subsidies
- | Supplemental Coverage Options Available
- | Surplus Claims Dollars 100% Owned by Employer Group
